# CENTRAL TEXAS SHORTHORN SALE

CITY PARK SALE PAVILION

1:00 P. M.

*Wednesday December 9, 1953*

STEPHENVILLE, TEXAS

**A GREAT OPPORTUNITY TO BUY  
YOUNG FEMALES AND OLDER BULLS**

**IN STEPHENVILLE**

**Wednesday, December 9, 1953**

**SELLING**

**17 BULLS**

**48 FEMALES**

The bulls include 5 - 2 year olds and 12 strong yearlings all of breeding age. There are a few herd bull prospects but most of them are the big, rugged, heavy bone kind that will suit the rangeman and commercial producer.

The females are all young cattle, not highly fitted, with plenty years of usefulness ahead. The offering consists of 28 bred and 20 open heifers all of popular breeding.

The blood of the great breeding bull, Prince Peter, is strongly represented in this sale. 35 of his granddaughters and 4 grandsons is probably the largest number of his offspring that will ever be offered in another consignment sale.

EVERYONE IS INVITED TO ATTEND THE SHORTHORN BANQUET, TUESDAY EVENING, DECEMBER 8th, 7:00 p.m., AT THE TARLETON DINING HALL.

For additional information, write—

A. H. CARAWAY, Sale Manager, De Leon, Texas

**AMERICAN SHORTHORN BREEDERS'  
ASSOCIATION GUARANTEE**

1. Proper care must be given by purchaser to protect qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or county into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

Prince Peter has done much to improve Shorthorns in the southwest. His blood is predominant in this sale.

## **BLACKWELL SHORTHORN RANCH HERD REDUCTION SALE**

### **17 Bred Heifers**

### **18 Open Heifers**

Since the three year drought in Texas has reduced the carrying capacity of his ranch, Mr. Blackwell has consigned 35 head of females to the Central Texas Sale. They are his entire heifer crop for two years.

The 17 bred heifers are pasture exposed to a grandson of Divide Prince Peter, a member of the undefeated Get of Prince Peter — 1944. A daughter of Divide Prince Peter produced the champion Shorthorn, Jr. Division and reserve champion Shorthorn steer, 1953 Fort Worth Stock Show.

The 18 open heifers are all sired by Prince Peter Warden 2D, a son of Prince Peter, whose pedigree is listed as reference below photo of Prince Peter.

In this consignment the bred and open heifers are catalogued by groups for the buyer's convenience. Lots 31 through 47 bred heifers, Lots 48 through 65 open heifers.
